Dear Friends,

I am writing to recommend to you Missionary Kaleb Gutierrez. I have known Kaleb since 2004. I have known his precious wife Erica since she was a little girl.

They are excited to be going to the country of Puerto Rico. They will begin their ministry there working under veteran Missionaries Alan and Stephanie Copeland.

They are in need of monthly support. Any consideration given would be greatly appreciated.

Most sincerely,

J. D. Weido
