Dear Pastor and Church,

It is with great joy and delight that I recommend the Kaleb Gutierrez family for your consideration to have a part in their ministry to Puerto Rico. I have had the privilege to know and minister beside Bro. Kaleb for several years. I have also had the opportunity to see him grow and mature in the Lord. His love for the Lord, family, the church and service was evident right away.

Brother Kaleb's humble and gentle spirit allows him the compassion to minister to people of all walks of life. He truly has a willingness to serve the Lord at whatever capacity the Lord desires. God has blessed him with a wonderful wife (Erica) and four beautiful children. They serve the Lord as a family and work well together.

I would like to ask you to prayerfully consider having the Gutierrez family in to present their burden to your church. I can say that the Gutierrez family will be a wise investment of your time and missions dollars. This family will be a blessing to your people and respectful to you, the pastor, when they visit. If the Lord leads you to support the Gutierrez's in your missionary program, they will serve the Lord faithfully.

Because of Him,

Pastor Frank Fason
